I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

State here briefly the FACTS that support your case. Describe what happened, how you were harmed, and what each defendant personally did or failed to do that harmed you. Attach additional pages if needed.

Employees of The defendant (NBC Universal media llc) could physically

view me while live on air. During The shows(Today, NBC morning news etc) Employees

of the Defendant (NBC Network) Exhibited Bullying and abusive conduct directed towards and about my person. These remarks included comments about financial status,

well being, living arrangements as well as other indications that there were tabs kept on or about me or the research or outsource of information. In some instances the

employees of said defendant (NBC Universal media llc) on the show Today observed

me sleeping and attempted to interrupt sleep. Employees also used adjoining networks such as Newsy an extended brand of (Scripps Center) to collect and exploit personal

information. Jokingly stating The best way to beat 4 is to stay ahead of it. Using

resources overseas (traveling anchors in Beijing) to promote unfair business competition and disruption in business practices. There were also hints of this going on forever

amongst other things. These actions not only occurred on the said dates but have been

going on since 2020. I believe the Defendant (NBC Network) was aware of these actions and neglected to address and/or end these said discrepancies.
